About Al Rehana Textiles Establishment

Welcome to Rehana Textiles, a uniform production company that began with just one showroom in 1982 and has now become a pioneering uniform provider across the seven Emirates.

With over 4 decades of excellence, we have established ourselves as a trusted provider of high-quality uniforms for a wide range of industries. Our commitment to excellence, innovation, and exceptional customer service set us apart.

We specialize in providing high-quality uniforms for a wide range of industries, including government, medical, hospitality, administrative professionals, and school uniforms for children. We are dedicated to helping our clients create a professional and cohesive image that reflects their brand values. We pride ourselves on having worked with the most prestigious names and entities across business and government sectors, crafting the most suitable and brand-representative uniforms and accessories for our clients.

Our commitment to sustainability and social responsibility is also a key factor in our success. We take pride in our eco-friendly production processes, use of sustainable materials, and fair labour practices.

GOVERNMENT SECTOR:

Quality Uniform solutions for **Government Departments, Municipality Workers, Military, Defense, Police Forces, Administrative and Security Personnel**

At Al Rehana Textiles, we understand the importance of high-quality uniforms for both utility and image. Whether you're a municipality worker, a member of the military, or a police officer, your uniform serves as a representation of your agency and your commitment to public service. That's why we're dedicated to providing expert uniform services that meet the unique needs of each government agency.

Visual Brand Representation

We understand that every government agency has unique needs and requirements when it comes to uniforms. That's why we offer customized uniform solutions that are tailored to your specific needs. Our team of uniform experts will work with you to design and create uniforms that fit your agency's brand, identity, and functionality requirements. Our consultation services help you pick the best design option based on your specific needs.

Serving a Wide Range of Government Agencies

We serve a wide range of government agencies, including municipalities, military, defense, police forces, and administrative and security personnel. Our team of uniform experts works closely with each agency to understand their specific uniform needs, including functionality, safety, and branding.

Municipal Uniforms: Our customized municipal uniforms are designed to meet the needs of various government workers such as administrative, maintenance, public works and transit personnel. We provide various design options to meet your organizational branding requirements.

Military Uniforms: We are humbled to have had the opportunity to create functional uniforms and accessories for the military forces, skillfully crafted to assist them in their national duty. These uniforms are designed to be durable, practical and versatile in meeting the high standards of military service.

Police Uniforms: At Al Rehana Textiles, we are also proud to have tailored police personnel uniforms to fit the specific demands of the police forces, including safety features, visibility, and comfort.

Security Uniforms: We also tailor mass quantities of uniforms for different types of security professionals across government entities.

Defense Force Uniforms: At Al Rehana Textiles we strive to assist the incredible defense forces of the UAE, through carefully tailored uniforms and accessories that complement their functional duties. Our defence force uniforms are designed to be durable and agile, while also providing a sense of identity and unity among service members.

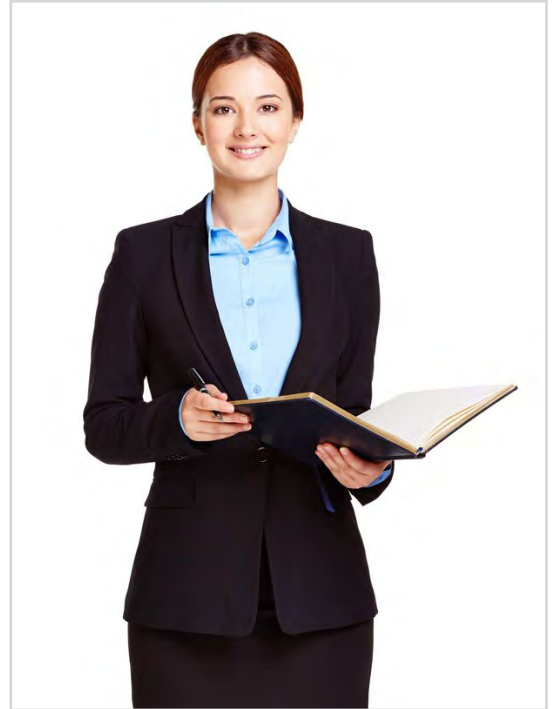

Administrative Uniforms: Government entities and offices employ a vast array of administrative personnel across different roles. We design professional and presentable administrative uniforms, while also showcasing your agency's brand and identity.

PRIVATE SECTOR:

The UAE has emerged as a global destination for business, trade and commerce. This has been the result of a proactive private sector that has pushed boundaries and brought world-class products and services to the country.

The UAE is also home to exemplary practices in professionalism, hospitality and presentability of work forces. We are humbled to have played a part in fulfilling the uniform requirements of the private sector for over 4 decades.

In the private sector, having a uniformed staff is essential for creating a professional image and improving brand recognition. At Al Rehana Textiles, we understand the importance of having quality uniforms for your staff. We provide custom uniform solutions for businesses in various industries, including blue-collar and construction workers, administrative staff, facility management workers, and security personnel.
